Docket No. 98N-1265

Food and Drug Administration '99 APR 15 A9:31

5600 Fishers Lane

Rockville, MD. 20857

✓ I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I want to be able to receive
medications I need + that my Dr. prescribes
for me. Why Not?
The services specialty pharmacies provide
to me + my Dr. are not available from
commercial Pharmaceutical Mfg. nor
most local pharmacies. Wake up to woman's
problems. Sorry this is late. I was on vacation.
